Wedding Styling

Our wedding experiences include everything you need for your special day;

Venue hire (2.00pm – midnight), drinks reception, three course wedding breakfast with coffee, wine, linen, tableware, tables and chairs, PA system for speeches and background music, up-lighting to the Nave, Baldacchino and South Chapel, our gold drape, breakup colour wash over tables and pin spot lighting to enhance each table setting.

However, we know that you'll want to make your wedding as distinctive and memorable as possible. So why not create your own combination of tableware and linen to enhance your day further.

We have a whole host of "tricks" and options that can make a big impact with relatively modest cost from bespoke linens, adding an extra course or creating floral table decorations – all optional but can add extra finesse. We are happy to suggest options of what can work well from our experience. The opportunities are endless; once we've had a chat we can create the perfect combination for your wedding that fits in not only with your budget but your own style and creativity.
