Event Styling

Our bowl food experiences include everything you need for your special event;

Buffet style menu with buffet stations, linen for your occasional tables and poseur tables in a choice of colours, PA system for background music, up-lighting to the Nave, Baldacchino and South Chapel in your choice of colours.

However, we know that you'll want to make your event as distinctive and memorable as possible. So why not create your own combination of glassware and linen to enhance your event further.

We have a whole host of "tricks" and options that can make a big impact with relatively modest cost from bespoke linens, adding an extra course or creating floral table decorations – all optional but can add extra finesse to an event where it's important. We are happy to suggest options of what can work well from our experience. The opportunities are endless; once we've had a chat we can create the perfect combination for your event that fits in not only with your budget but your own style and creativity.
