Event Styling

Our dining experiences include everything you need for your special event;

Exclusive venue hire, drinks reception on arrival, three course meal with 2 glasses of wine and coffee per person, linen, tableware, tables and chairs, black candelabras, PA system for speeches and background music, up-lighting to the Nave, Baldacchino and South Chapel, breakup colour wash over tables and pin spot lighting to enhance each table setting and a dj to see you through until midnight.

However, we know that you'll want to make your event as distinctive and memorable as possible. So why not create your own combination of tableware, linen, centerpieces and unique cocktails to enhance your event further.

We have a whole host of "tricks" and options that can make a big impact with relatively modest cost from bespoke linens, adding an extra course or creating floral table decorations – all optional but can add extra finesse to an event where it's important. We are happy to suggest options of what can work well from our experience. The opportunities are endless; once we've had a chat we can create the perfect combination for your event that fits in not only with your budget but your own style and creativity.
